February 26, 2019 (JOINT MEETING)

The Commission and its Finance Committee met jointly at 6:30PM on February 26 at Green Media Center. In attendance were Michael Grogan, the chairperson, Harvey Gersin, Nada Jamoua, Dan Krause, Phil Ross, and Jonathan Warshay. Also in attendance were Commissioners Matthew Benavides and Deborah Macon. Not in attendance were Commissioners Dahl, Dziuba, Kowalsky, and Levine.

Mr. Gersin presented the report of fourth quarter 2018 payments from cable operators, noting that every payment to the four communities from both companies is higher than the third quarter figures. Committee discussion focused on strategies for dealing with decreased revenue in the future, including securing revenue supplemental to that provided by operators. Further discussion focused on a possible joint meeting of the Commission's three standing committees to explore additional revenue.

Members also discussed a potential FCC ruling which could reduce or eliminate future revenue from cable operators. The committee and Commission will be updated regarding future developments.

The committee also reviewed Commission expenditures for 2018 and for January of 2019.
