8. Executive Director's Report

Civic Center TV/Lakes FM

Commissioners were provided a written report of programming cablecast on Civic Center TV in March.

Mr. Scott addressed the Commission regarding the operation of Civic Center TV and Lakes FM, focusing on a search conducted by the Commission’s broadcast engineer to find a new frequency for Lakes FM which would allow more power and wider coverage. Unfortunately, that search did not find anything available for which the Commission could apply during an upcoming FCC filing window.

He also reported the involvement of the Commission’s programming resources in the West Bloomfield High School Football championship banner ceremony, the return of the Splash to Civic Center TV in late May, the virtual State of the Communities in late March, the programs which will be submitted for NATOA Government Programming Awards, and Motown Digital’s involvement in the virtual 2021 NATOA Annual Conference. He also mentioned that the discontinuation of the Comcast fiber-optic network has necessitated changes in the technology used to cablecast proceedings of the Keego Harbor and Sylvan Lake city councils when those

bodies return to in-person meetings.

Cable Operators

No communication was received from Comcast or AT&T.

Cable Industry News

The 6th Circuit Court of Appeals denied the FCC's request for a 120-day abeyance of the appeal of its 2019 franchise fee order, and oral arguments will be presented on April 15 as originally scheduled.

Comcast has pledged over one billion dollars over the next ten years to support digital equity, including expansion of Internet Essentials, additional Lift Zones in community centers and other public locations, donations of computers, and grants to community non-profit organizations to create opportunities for low-income Americans, particularly in media, technology, and entrepreneurship. Internet Essentials has connected 10 million people to the internet in the last decade, and the company's new commitment for the next decade will impact an estimated 50 million.

Communication

No communication was received.

Commission Assistance to Residents

A pedestal in the back yard of a residence in West Bloomfield has been straightened up and closed after the Commission referred the situation to Comcast.

A resident contacted the Commission after the interface box fell off the exterior wall of her home. The matter was referred to Comcast, and the company re-attached the box.

The Commission worked with a resident who was confused regarding customer-owned equipment and items leased from the Comcast. The company contacted her, cleared up the confusion, and credited the account for the misunderstanding.

In response to a question from Mrs. Macon, the Chairperson stated that the decision of the Community Programming Committee regarding the submission of Civic Center TV programming for recognition by NATOA is sufficient and that no Commission action is required.

In response to a question from Mrs. Macon, the Executive Director stated that the benefits of Comcast's planned investment in Internet Essentials over the next decade will occur through the efforts of school districts, which administer the National School Lunch Program, community organizations, such as WB Parks, and the Commission, through the use of its programming resources to publicize the opportunities. He added that he will ask Comcast if the company has established Lift Zones in Oakland County.

11. Public Comment

The Chairperson stated that residents are provided an opportunity to address the Commission regarding cable-related issues at the beginning and the end of each meeting.

Ms. Mosby stated that she was addressing the Commission on behalf of three Oakland County social justice organizations regarding content posted on You Tube by Civic Center TV. She stated that the content is in violation of You Tube's Child Safety Policies and requested that it be removed. She added that the content in question is an Oakland County Circuit Court proceeding involving a minor and that an email regarding the situation had been sent to each commissioner.
